Macfarlane, Neil

Burscough Parish Neighbourhood Development Plan - Examiner's procedural letter and questions

To: 
Cc: ParishClerk, Burscough; [redacted] 

Thank you for your correspondence relating to the Examiner's initial questions about the Burscough Parish Neighbourhood Development Plan. The answers to the two questions directed to West Lancashire Borough Council are as follows:

1. For the purposes of this examination the development plan for the area is the West Lancashire Local Plan 2012-2027 adopted in October 2013. Is that correct?

2. West Lancashire Borough Council is in the process of preparing the West Lancashire Local Plan Review. It consulted on the Preferred Options document of this emerging plan in 2013 but has yet to publish or consult on the Submission Version of this plan. Is that correct?

   That is correct. Public consultation took place on the Local Plan Review Preferred Options between 12 October and 13 December 2018 and the Submission version of this plan is yet to be published or consulted on. The Council's current Local Development Scheme (September 2018) indicates that public consultation on the Publication Plan will take place between June and August 2019; however, this is currently under review.

Kind regards
Neil
